

April 2017

EJ Salinas Community Center

April was a blessing! As we rejoiced in the resurrection Jesus, we found more reasons to gather and celebrate as a community. The children joined the elderly in tradition of preparing cascaraones for the big Easter Celebration at EJ Salinas Community Center. And the elderly gave back, by volunteering at this years Dia De Los Ninos which proved to be a great success. Let's pray for more days like this, where our spirits our lifted by sharing the joy of being in each others company. We are Pct. 1 !
