

La Presa Community Center August/2015

Mr. Francisco Torres Celebrated his birthday with friends. We had homemade fritada, rice, beans and brisket. And for dessert a banana pudding cake.

We would like to thank the U.I.S.D. lunch program for providing meals for our community kids.

The community kids had a blast in our "Back to School" event. They received backpacks with school supplies and played games, dance, ate hamburgers with chips and drink. They had a blast!
