

Rio Bravo Activity Center

Friendship and Love

February the month to celebrate Love and Friendship. The staff at RBAC spent time with the children decorating valentine boxes to take to class. The children had some exciting character ideas and it took a little of brain storming to reuse different boxes to create the favorite characters. Over all a big learning experience on how to reduce, reuse and recycle. The children enjoyed a day with corn in a cup with heart shape cookies and of course some candy to add to the special celebration. Staff had the honor to spend time with the Pct. 1 Valentine's Day King and Queen especially with the ones crowned representing Rio Bravo Community Center. Mr. Don Jose and Ms. Salinas, Congratulations!
