March when Spring is near

March was a busy full of excitement month for the children of Rio Bravo. One of the best weeks of the year known to all school kids as spring break was celebrated at our center. The staff at RBAC had a week filled with activities. A highlight was t-shirt decorating and the kids got to wear them mid week. We also had a few guest visit with the children one was the female football players known as Laredo Phantasy. The players had a chance to talk to the kids about the female contact sport and a chance to do a few plays with the kids outside. Rio Bravo Police Chief Rene Cervantes also stopped by and had a table conversation about his new position and talked about safety in the community. St. Patrick's Day was also celebrated by wearing green and eating green snacks. Easter was celebrated with the traditional preparing of cascarones to crack among each other with an Easter egg hunt and Easter basket give-aways. RBAC staff would like to thank Commissioner Frank Sciaraffa and everyone else that made March a memorable month.

Recently the City Of Rio Bravo appointed a new police chief, he is Chief Rene Cervantes. Chief Cervantes stopped by during a gloomy rainy day to our center with pizzas for the children and a chance to introduce himself and talk to the kids about his role as police chief and a little about his background plus to extend an invitation to his office whenever needed. On behalf of staff and the children Thank You! We appreciate your dedica-
