Rio Bravo Activity Center

New Soccer Field at Rio Bravo

Commissioner Frank Sciaraffa together with Judge Tijerina and Commissioner's court have made playing soccer in Rio Bravo a lot nicer with state of the art new soccer field.

Members of the community and staff were invited for the ribbon cutting ceremony. RBAC members were among the participants. Daniella Sanchez led the pledge of allegiance and another member Mario Gonzalez performed with the Salvador Garcia Middle School band among others as well. We are blessed to have talent among the center.

Soccer Field Ribbon Cutting

Judge Tano Tijerina and Commissioner Frank Sciaraffa pose for a picture with the Rio Bravo Activity Center Staff after the ribbon cutting of the soccerfield at Rio Bravo .

Mother's Day Crafts for Moms

RBAC staff Lori Garcia and Sara Saldana helping the children prepare mother's day floral cards.

Mother's Day Celebrated

The children at Rio Bravo Activity Center took time to make some beautiful Mother's day cards. Each member wrote to their Moms' why they were thankful and grateful to be their child. They were all very touchy and beautiful. The center was also part of a luncheon meeting to mothers that participate with the healthy mommy baby program with BCFS. The ladies had lunch provided by the staff at BCFS with some gifts and a class about motherhood. On behalf of the staff we would like to thank every mother, grandmother, aunt any female role models and wish them many blessings today for Mother's day and everyday of the future.

BCFS Montly Class and Lunch for Moms

BCFS held their monthly class at RBAC. The Moms enjoyed a traditional chicken tostada lunch while talking about motherhood and learning about programs to help Mothers with healthcare benefits for their children.

RBAC is getting ready for Summer activities. The center will host the healthy meals program together with UISD. For more information call the center at 728-1262 or stop by to register.
